SERMON TEXT: *Romans 10:1-17*

Discussion Questions

DISCOVER

LEADERS – Remember: you don't have to cover every question. Let the Holy Spirit be your guide. Every week we're asking you to start the discussion with these two questions. It's a great way to get the conversation started.

- What stood out to you from the sermon and how can you apply that this week?
- What did God reveal to you in any of the scriptures this week, maybe for the first time?

DEEPEN

LEADERS – For the duration of this sermon series we will be using the questions in the 10:10 Life Journal. Encourage your group members to bring their journals to service each week, think about the questions while they're listening to the sermon and then write out their answers before they attend group. It will lead to some great discussions.

NEW: Our film team has created a different 10:10 Life video for each week of the sermon series. It's a five-minute video at the beginning of the video curriculum. (You will find it on the same page you find the written curriculum.) We recommend you download it before you show it to your group to make sure you don't have any Internet issues.

Read *Romans 10:1-17*

- Reread verses 1- 4 and describe the apostle Paul's heart behind the mission God gave him. Why did he take sharing the gospel of Jesus with others so seriously?
- What needs to change for you to live a missional life? (Your view of God, your finances, your pursuit of holiness?)
- Where is God sending you to live on mission? (This could be moving somewhere new or entering your current community with a new missional mindset.)
