Discussion Questions

DISCOVER

Have someone read Habakkuk 2:14

1. When you read this verse, what stands out to you? How does this verse reveal the purpose of worship? *(This verse is a response from Habakkuk's conversation with God about the absurdity and sin in the world. There are violence, riots, division among God's people and injustices. The purpose of worship is to bring glory to God despite our circumstances and difficulties. Worship reframes what matters most. Worship is a response to what we value. Worship shapes us. Worship is war.)*

2. How can you bring God glory by participating in the 2022 Vision of planting churches, sending missionaries and launching campuses? *(This is the Great Commission! Share how you can use your time, talent, treasure, and temple as God expands the local church here in NE FL and SE GA through Eleven22, but also around the country and world through planting churches. Missionaries GO into unreached parts of the world so that the gospel may be shared. One way we get to glorify Him is to participate with God as he ultimately brings glory to himself.)*

Have someone read Habakkuk 2:18-20

3. Pastor Joby shared that an idol is anything that competes for God's glory in your life. What is competing for God's glory in your life? *(An idol is anything that takes our eyes off the ONE true God and competes for God's glory in your life. An idol is anything that doesn't have and can't give the breath of life, "ruach!" Sometimes we can make God into an idol by trying to shape Him into something He is not based on our fears and ideas.)*

DEEPEN

Eleven22 will use 2022 as a year to focus on worship. We will worship God in word, in spirit and truth, and in our lives.

Have someone read Psalm 119:47-48 & John 10:10

4. Do you find delight in the Word of God? What distracts you from time in His Word and how would your life be different if you were more intentional with time in God's word? *(Answers may vary.)*

5. Reflect on how you spend your time, talent, treasure and temple and consider: who or what would others say that you worship? *(Answers may vary – the abundant life does not start in heaven; it starts at the moment you're saved!)*

ACTION STEPS

A Disciple...Loves All People, Discovers Identity in Jesus, Deepens Relationship with Jesus.

Leader Read: Pastor Joby shared the direction God has for Eleven22 this year. We will be focusing on worship: in word, in spirit, in truth and in our lives.

This Week: Spend time considering Pastor Joby's challenge to Eleven22. What area of your life God is calling you to grow in Him through the Discipleship Journey Triangle (below)?

Take a Next Step: Eleven22 has many opportunities for you to take a next step of faith and GROW as a disciple-making disciple.

- Discipleship starts with sharing the gospel: Who is your #onemore(s), for whom you will pray and share an invitation in the coming weeks?
- Go and make disciples: Is God calling you to short- or long-term missions?
- God's Word: Develop an intentional time with God, in His Word.
