

# Host Saturated Online

## September 15–19

If you are unable to attend Saturated in person  
you can join us online [coe22.com/online](https://coe22.com/online).

We encourage you to invite family and friends to join you  
and the Eleven22 family as we worship together at Saturated!

### IDEAS

- Have some snacks ready.
- Pray together and ask God to saturate the group with His presence.
- Have everyone stand and sing loud together!
- Discuss the message after you have watched it.
  - » What stood out to you?
  - » What was something you heard that made you think differently about God?
  - » What is something you heard that you need to share with someone else?

### THINGS TO CONSIDER

- Be mindful of pets and kids.
- Be mindful of where everyone will park.
- Plan and test your technology.
- Have enough seating available.

### SHARE YOUR EXPERIENCE WITH US

- Share your Saturated experience on social media using the hashtag #weare22. Tag us on Instagram @coe22.
